As of this morning, drinks in the refrigerator have not been restock and dishwasher is still filled up with dirty cups/plates (I started dishwasher when I got in this morning).

Let's make sure we stay on top of things during BID week!

Two more follow-ups

- Suzanne will speak with CCA so that coffee pot coffee is no longer an assigned responsibility. If you want fresh brewed coffee- knock yourself out! And, clean up afterwards J
- Suzanne has volunteered to do the Friday Fridge Throwout. So, that answers all of our questions about what stays and what goes.

Subject: Daily Duty Schedule- mark your calendars!

See attached for a schedule of who is on Daily Duty during BID Office Duties weeks. I recommended adding your dates to your calendar. You can filter by your name.

Although we will all chip in on the below, the assigned person (per our meeting this AM), will be on point to:

KITCHEN MAINTENANCE:

- Unload dishwasher in the morning; load and start dishwasher at end of day
- Double check that refrigerator is stock before they leave for the day (all employees should do as needed)

RE: Daily Duty Schedule- mark your calendars!

- Wipe down counters before they leave for the day (all employees should do as needed)
- Make sure old newspapers are discarded
- Close supply closet

COPY ROOM MAINTENANCE:

- Make sure counters are clear and there is no trash left behind before they leave for the day
- Advise Lena of any supplies needed

Don't forget: If you see a printer that needs some ink ask Mike (aka Tony! Toni! Toner!) how to replace it.
